CONDOMINIUM II ASSOCIATION, INC.

OWNER'S EMERGENCY INFORMATION

This form is to ensure the association has the ability to protect your unit and the common elements in the case of an emergency. From time to time there may be problems that arise that would require the Board of Directors and/or Management to enter your unit. If you are away and not in your unit, the Board and/or Management needs to have the information necessary to contact you or someone that can provide access to your unit.

Irrevocable right of access to a unit is provided by Section 718.711(5) in the Florida Statutes. This document is also a very helpful tool should you have a personal emergency.

The following information will be held in the strictest confidence and will only be available to emergency personnel, the Board of Directors, and Management.
