## Notice

As we leave 2020 and enter into 2021 nothing has changed concerning the Board's decision not to have any scheduled events or the renting out of the clubhouse. With the new vaccine coming out and starting to be distributed in Pinellas County on January the 4<sup>th</sup> the Board will be looking at the Pinellas County Health Department and the CDC for their guidelines and recommendations. Adjustments to the Board's June 1<sup>st</sup>, 2020 decision will come when the Board feels they can be safely reinstated.

- There will be no newsletter published in January or February.
- The annual Tampa Bay Downs outing will not be held this year.
- The holding of the Annual Community Yard Sale normally held at the end of March is on hold at this time and will be reviewed at the Board's January 25<sup>th</sup> meeting.

Thank you for your patience and understanding during this ever evolving event we have been going through.

John Stover: President of the Recreation Board of Directors
