

Village on the Green II

HOA Newsletter

JULY

2026

The roof project is progressing nicely and currently on schedule. If anything changes along the way you will be informed. They plan to paint all the vents and pipes at the end.

2585 - complete
2579 - 7/10 - 7/15
2561 - 7/15 - 7/17
2555 - 7/17 - 7/21
2567 - 7/21 - 7/24
2573 - 7/24 - 7/29
2552 - 7/29 - 7/31
2537 - 7/31 - 8/5

Drainage work is scheduled to begin on July 20th for buildings 2522 and 2567.

We are aware of the dead grass throughout the association. We are fervently working with the irrigation and weed/fertilization contractors to remedy the issues.

Solicitation - Under no circumstances should anyone accept solicitation. Especially, from contractors who are under contract working for our association. If you are approached, please refer them to your board members.

It has been brought to our attention again; dog owners are walking their fur babies between buildings to do their business. Their urine kills our grass, and we are spending a considerable amount of time and money to keep our grass looking its best. Please be considerate and respectful of everyone in the community to do your part to pick up after your pets and walk them along the roads.

With hurricane season upon us, please clear your patios and store your items properly.
